HSA Nominating Committee

Nominee for Vice President-Social/President

Mary Denio

I am excited to be nominated for Vice President-Social/President for the HSA. My husband, Peter, and I have lived in Fair Lawn's Radburn community for 15 years and currently have two children at Academy of Our Lady, as well as one Academy of Our Lady graduate. Our daughter, Riley, will be an 8th grader in September, and Devon will be in 6th grade. Conor graduated in 2018 and attends St. Peter's Prep High School.

I work full-time as the Community Sales Director at Brightview Senior Living in Paramus, but I have tried to be as involved as I can be at our school. In past years, I have been an art docent and have co-chaired the Academy's Got Talent show for the past four years. I've also coached girls' basketball for my daughter, Devon, for the last two years. As a parent at the school, I value the social opportunities with the families so much and hope to bring some new ideas to the HSA.

Thank you for your consideration!
