

## SUGGESTED KINDERGARTEN SUPPLY LIST

One of the activities many children look forward to each August is shopping for school supplies for the upcoming school year. Having “self-selected” school supplies creates opportunities for children to learn valuable lessons in taking care of, and responsibility for, their belongings. Therefore, to assist you in planning for school, we would like to give you the following information regarding suggested school supplies. Having this information now will hopefully allow you to take advantage of the summer sales on school supplies!

**1 Back Pack- large enough to hold a 9x12 folder, lunch box, special art projects, and even boots/snow pants for the winter. *Please no rolling backpacks with handles. They do not fit in our lockers.***

**Please do not LABEL or PUT supplies into your child’s supply box unless indicated.**
