

STEM Family Project

Name: _____

Month of: October Due Date: October 31, 2018

Create a model of a shelter that could be found in your country. Think of the environment and possible materials found in your country. (Hut, igloo, cabin, house..)

*You may use any items from home in your creation.

*You may work alone or with a family member.

*Remember to think like an inventor, be a problem solver, use your imagination, and have fun!

*We will display and present all STEM family projects at school!
