TAKE OUR DAUGHTERS AND SONS TO WORK Thursday, April 25, 2019

Dear Stony Brook Parents / Guardians:

Take Our Daughters and Sons to Work Day is Thursday, April 25th. Originally created by the Ms. Foundation for Women as Take Our Daughters to Work Day, this is a national public education program in which girls and boys are invited to view first-hand the equal and important role men and women play in the workforce.

The 2019 theme **Workforce Development For All** will empower youth through inspired personal development careers. Participating workplaces, school, nonprofits, and families will have the opportunity to reveal their recipe for building and maintaining dependable and productive teams. This will provide young people insight about how each role within an organization contributes to the overall success for staff, customers and the communities they serve.

If you plan to take your child to your workplace on April 25th, please return this form to the Stony Brook Office by April 22nd. We will then be aware of your child's absence on that day (and you will not need to call Tel-Safe).

Please have your child take the second part of this memo with them to your workplace, have it signed by the appropriate person, and return it to school on Friday, April 26th. Thank you.

Sincerely,

Mr. Steve Wilfing
Principal
