**Graduation**

Today Dr. Matthews submitted a request on our behalf to Supervisor Janice Hahn of LA County to allow an in-person, on the field graduation. We have asked for **June 11 or June 18**. This request comes after meeting with student representatives, hours of planning with parents and staff, and numerous conversations with District and City of MB officials. They want to be together, safely, one more time at Costa. It’s easy to love the idea. We have a detailed plan ready in the event the County approves our request, and can mobilize in less than 48 hours. Safety and social-responsibility are two of the guiding principles of our proposed plan that meets or exceeds County guidelines for social-distancing. If the County denies our request, we will proceed with an easy to follow plan B at the earliest of those two dates. So hold both dates in your calendar - June 11 and June 18. Beyond that, the students made it clear they do not want a virtual graduation or a parade. We are doing everything we can to get our graduates a safe and memorable experience.

Yearbooks have arrived! We have decided to combine textbook return with yearbook distribution. The good news here is that **Seniors will now receive their yearbooks first when they return their textbooks on Monday June 8**. Here’s the revised distribution plan:

**Textbook** return and **Yearbook** pick up will take place on **June 8** for Seniors, **June 15** for Juniors, **June 16** for Sophomores, and **June 17** for Freshmen. Here are the guidelines, Please pay strict adherence to them:

1. Arrive at the LOWER Peck lot at your appointed time. Follow staff directions.
2. Wear a mask. Do not exit your car at any time.
3. Place all of your textbooks in a paper grocery bag, and attach a textbook return inventory sheet to the outside. You can download the inventory sheet by clicking **HERE** or use the Destiny printout (see below).
4. Place your bag of textbooks in the trunk or rear compartment of your vehicle.
5. You will need to open your trunk or the back of your vehicle without exiting your vehicle.
6. There is no make up date. If you cannot make textbook return at your appointed time, ask someone to come in your place strictly following the above guidelines.
