

Andrea Palacio

I would like to nominate Andrea Palacio for student of the month in my Honors World Studies class. Andrea has improved her class grade more than any other student in the 2nd semester and now has one of the highest grades in any of my classes. Also, she earned the highest grade, a 97%, on the Unit 4 Test, which puts her in about the top 5% of the class on that assessment. She puts in great effort every single day and contributes an incredibly positive attitude in small group and whole class discussions. Most importantly, she is a kind person who is an absolute pleasure to have in class.
