All students are required to pay a student fee at the beginning of the year. For the 2019-20 school year, the fee will be \$15, and that fee will provide a new 1" binder to every student that will serve as their "Begin with the End in Mind" agenda for the year, purchase of paper to furnish goal sheets that will go in the agenda binder, and use of their locker for the year. Students will pay this fee to their homeroom teachers during the first week of school.

Donations of the following items are welcomed in all classrooms: Kleenex (first priority), hand sanitizer, Clorox wipes, paper towels, construction paper, glue sticks, tape, low odor dry erase markers

Thank you for making every effort to provide these supplies for your child. Your child's team teachers may require additional supplies, but time will be allowed to purchase these supplies once school has started. If you need assistance in providing supplies, please contact our school counselor, Mrs. Welborn. Book bags, purses, drawstring bags, etc. are not allowed in the classroom during the course of the day. All bags must be stored inside a locker until the end of the day. Please be mindful of this as you choose your supplies and how you can keep these best organized throughout the day. Students are allowed time to go to their lockers at set times during the day.
