Re: Nutrition Services Bid May 2017 Award Recommendations

Accompanying this memorandum, you will find our recommendations for awards of the Nutrition Services bids for Bread Products, Milk & Dairy Products, and Paper & Cleaning Products for the period July 1, 2017 through June 30, 2018 as well as for Food Products and Fresh Fruit & Produce for the period July 1, 2017 through December 31, 2017.

The award recommendations are generally based on bid price rankings, with the low bidder deemed the winning bidder, and all other things considered equal. When an award recommendation does not strictly follow this low-price-wins criterion, we have provided an explanation for the alternative recommendation.

In the case of several items, a bidder's offer was not ranked and thus not considered for award. This condition may be the result of any number of defects with the bid:

- A bidder offered an item other than was specified and failed to submit the alternative for pre-approval by Nutrition Services
- A bidder submitted an alternative for pre-approval, but the sample did not meet requisite nutritional values or was deemed to be of insufficient quality
- A bidder failed to submit a sample as specifically requested in the item description, in the case of items for which no particular brand was requested (generally listed as "distributor's choice").

This is not an exhaustive list of defects, but those listed are most common. When a non-ranking affected an otherwise winning bid, the non-ranking is explained. When the non-ranking does not affect the recommendation, no explanation is provided as the rank omission is inconsequential to the award. In the interest of transparency, all offered bids are included in the ranking detail, whether ranked or not.

For a very few items, no award is recommended at all. We have included a list of these as well as an explanation for the No Award recommendation.

Thank

Vendors may propose the inclusion of additional, “new” products only if such product is not already included in the same or similar form in the original bid item listing. Items new to a particular vendor but included in same or similar form will not be considered a new product under this clause, and will not be considered for addition to the purchasing agreement. 16. Purchase Order: The award of a bid shall not constitute an order. Before shipments may be made, the vendor must receive a purchase order issued by the District. Shipments shall be made as specified on the order, and conforming to bid specifications and instructions.
17. Public Record: All information and materials submitted in response to this bid request shall become and be considered public record upon the opening of submitted bids, and as such available for examination by interested parties upon the completion of the bid award process.
18. Line Item v. All-or-Nothing Bid Award: Nampa School District Nutrition Services bids are “line item” bids. The District reserves the right to award “all or nothing” bids that are deemed in the best interest of the District.
19. Any bidder may withdraw or replace their bid at any time prior to the time set for bid opening, in writing or in person. No bid may be withdrawn after the set time of opening.
20. Product Deliveries: For deliveries to be accepted, a purchase order number must be listed on all ship tickets or invoices, a dock appointment made, and a confirmation call made with the warehouse supervisor one week in advance of the delivery
21. Gratuities: In the event that any gratuity or “kickback” is offered or tendered to any school district employee or subcontractor as an inducement for award of a bid, request for proposal, subcontract, or order, the bidder’s proposal shall be disqualified and shall not be reinstated.
22. Indemnification/Hold Harmless: Bidder agrees to indemnify and hold harmless the District from all third party claims and costs, including attorney’s fees, incurred by the District in defending same to the extent such claims are based on a defect in a product or part thereof, supplies of such a part, or part hereof to conform.
23. Default: Should any bidder fail to enter into a contract with the District on the basis of the submitted bid by said bidder, or fail to perform under the supply agreement, bidder acknowledges that it shall be liable to the District for the difference between said bid price and the price actually paid by the District to secure the product from an alternative source. Failure to pay said amount to the District upon demand may result in the nullification of all or part of the supply agreement as well as disqualification from subsequent Nutrition Services bids for not less than one (1) year, after which time the bidder may request reinstatement.
24. Conflict of Interest: All bidders must disclose, with their bid, the name of any officer, director, or agent who is also an employee of Nampa School District No. 131. Further, all bidders must disclose the name of any District employee who has, directly or indirectly, an ownership interest in the bidding firm or any of its branches.
25. Buy American Provision: The William F. Goodling Child Nutrition Reauthorization Act of 1998 directs school food authorities to purchase domestic commodities and products to the maximum extent practicable. A “domestic commodity or product” is defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States. For listed bid items to

Inspiring Excellence — Every Child, Every Day

619 S. Canyon St. Nampa, ID 83686
www.nsd131.org

which the Buy American Provision applies but non-domestic product is bid, the bidder should include an explanation supporting the use of non-domestic products.

Where domestic products subject to the Buy American Provision are awarded but the awarded bidder seeks to supply non-domestic product, the vendor must seek preauthorization from Nampa School District Nutrition Services for such items, including an explanation supporting the change of product. The District reserves the right to research all such requests and approve or refuse the application for alternative products, and to seek Provision-compliant supply otherwise. Awarded bidders who fail to perform under the supply agreement as stipulated under Buy American requirements shall be considered in default of the agreement and subject to penalties under default rules as specified herein.

- 26. Protests: Participating bidders may object to a bid award, per the requirements of Title 67, Chapter 28, Idaho code.

A bidder who wishes to object to a bid award must do so within seven (7) calendar days of the posting of the award. This objection should be submitted, in writing, to the District’s coordinating party as listed in the publicly posted bid documents. The objection must set forth the express reason(s) for the objection and why the award has been made in error. Upon receipt of a proper objection, the governing party for the bid in question will stay its award decision and any procurement under the award until it has addressed the particular objection(s) submitted.

The governing party shall review its decision and will determine to (1) affirm the award, (2) modify the award, or (3) repeat the bid process, setting aside its award, and will set forth the reasons therefor. After completion of the review process, the District may proceed as it deems in the best interest of the District.

For the purpose of bid objections, the governing party shall be whatever person or group is duly empowered and qualified to make an award, under procurement laws and guidelines set forth by the State of Idaho for political subdivision purchasing and Nampa School District purchasing rules.
