

Dear Parents and Community,

It's hard to believe another school year has started again, and we are very excited to have our students and staff back. Our School would like to help make shopping and gifting a little easier, less stressful and perhaps more enjoyable this year while you make a difference for our programs, children and school. You can help us by considering our Scrip Program as a source for your gift card buying! We have Gift Cards from over 400 local and National Retailers. Each would make great gifts for family, friends, teachers, employers, and associates on your lists! We can generate profits on each card ranging from 2% -20% on gifts you plan to buy anyway! Why not give a gift that will benefit more than just the person who receives it! Ordering is simple—just follow the steps below!

What is Scrip?

Scrip is Latin for "anything used instead of money". In our case, we mean Gift Cards. When you buy Scrip, you are buying Gift Cards to use for your everyday budgeted items like groceries, gas, clothes, restaurants, etc.

How does it work?

UnitedScrip contracts with over 250 National Retailers and receives a discount for volume purchases. They offer these Gift Cards to us at discounts from 1.5%-20%. Our members and supporters pay face value for the Gift Cards and our group pays the discounted amount. The difference is instant revenue for our Group!

You have 2 payment options for your order.
